

## TWIZZLER: May 12, 2020

### FROM REV. DEVAL MASON

Wow! God's gracious blessings have shone through to us here at Weaverville UMC during this past week in spite of the global pandemic we are all experiencing together (yet apart). The week started out with a wonderful blessing of the **Youth Virtual Worship Service**, as Emily and the youth did a fantastic job of touching our hearts and spirits with God's love. Then in the middle of the week we had a wonderful blessing of the **bell ringing for the National Day of Prayer**, as Martha and the bell ringers did a fantastic job of touching our hearts and spirits with God's joy.

Then we ended the week with a wonderful blessing of our **Mother's Day Virtual Worship Service**, as the participants did a fantastic job of touching our hearts and spirits with God's thankfulness. I want to thank **Bob and Lorraine Cipriano, Angela Moser, and Charlie Harnish** for sharing their love for the women in their lives, as they reminded us just how important mothers are to each of us and what a blessing we receive when we celebrate Mother's Day together in the Body of Christ. (Be sure to watch the Mother's Day Service and see them share their love and thankfulness if you haven't already: <https://www.youtube.com/watch?v=UtWI8UpeaaQ>). What a wonderful week of blessings! **God Is Good! All The Time!**

## Blood Drive

IN HONOR OF JIM BROOKER

Sunday May 17, 2020

12:00 noon to 5:00pm

It is Blood Drive time again, and our area is in dire need of blood. Here is how the Blood Connection will conduct the drive: We will only schedule three donors every 15 minutes. With three donors giving blood and three donors being processed for the next 15 minutes, this will allow only six in the building at a time. Blood Connection Personnel will wear PPE at all times and each bed will be thoroughly cleaned between donors.

**Most of your donations will stay in our area.** When you sign up for the first time you will need a photo id and then you will be issued a donor card. After you have been issued a donor card that will serve as your identification.

**On the day of the drive you can do early check in** like Rapid Pass, but it is called TBC Express, all you need to do is click on [thebloodconnection.org](http://thebloodconnection.org) On the bottom of the page is the link for this. You can also download the app to your phone. **Each donor will be given a ten dollar gift card.**

You can go on line and sign up for a time at [thebloodconnection.org](http://thebloodconnection.org) Due to the virus and restrictions, I think that emailing or calling me will work better so I can let you know the times that are available. Please call or email me as

soon as possible so that you can get the time that works best for you.

## **STAYING INFORMED**

**The Western North Carolina Conference of the United Methodist Church** has recently issued detailed **Guidelines for In-Person Worship and Ministry**.

*As a church, we continue to seek ways to engage faithfully in worship, study, and ministry while ensuring the health and safety of our members and communities as our first priority. Thus, in alignment and compliance with North Carolina governmental mandates and our scriptural and Wesleyan call to "love others" and "do no harm," these guidelines are to be followed by churches in the Western North Carolina Conference. These will be effective Saturday May 9, 2020 and will remain in effect until at least Sunday, May 31, 2020.*

**The North Carolina Conference of the United Methodist Church** has recently issued a **Model for Renewing Face-to-Face Community and Worship**.

*As we plan for face-to-face gatherings for worship, prayer, study, community and service, we carry onward the deep commitment of Wesleyan Christians to spiritual and physical health. With the medical community, we always seek to "first, do no harm." I urge you to read this model for ministry as you continually remember the most vulnerable people in your church family and your community. Please plan with these persons in mind, keeping virtual ministry in place as you are able to gather with some persons face to face.*

## **FROM LENA BROOKER**

In Jim's Big Fight this past year against MDS and AML, both blood cancers, he received many, many units of red blood and platelets. He was kept alive because of transfusions. He, the girls, and I will be forever grateful for that. There could be no more fitting memorial tribute for my Big Guy than a blood drive. Thank you for designating the WUMC Blood Drive on Sunday, May 17 as a memorial for Jim.

In addition to my thanks for the blood drive, please convey to our faith family the very deep gratitude Lora, Lindsey and I share for being able to have the Homegoing Service for Jim in the sanctuary. It was what he and we wanted and it was a blessing the girls and I will always cherish. A big thank you also for the cards and other expressions of sympathy and love, especially the prayers of so many. I look forward to worshiping virtually with everyone and especially to the Sunday when we can all worship together in our beautiful sanctuary. Till then, please continue to pray for us as we adapt to life at High Heaven without our Big Guy.
