

TWIZZLER: August 4, 2020

FROM REV. DEVAL MASON

In the Gospel of Mark chapter five, we are told of a woman whose life was thrown into chaos by a blood disorder. She sought help from the medical professionals of her day, but none could help her, even though she spent all her money looking for answers. When Jesus came to town she went and reached out and touched His garments, and experienced the power and healing of God. During this global pandemic people have been thrown into chaos and many have spent a lot of money looking for answers. **I hope and pray that each of us will reach out and touch Jesus, and that each of us will experience the power and healing of God individually, and that the whole world will experience the power and healing of God in every place. Then everyone will know that God Is Good! All The Time!**

ROCKS OF HOPE

The youth project Rocks of Hope is doing really well since installation at the beginning of July! Many additions and subtractions have come and gone from the garden. Now it looks like we are in need of a resupply! **We invite you to join in painting rocks with messages of hope to continue to spread love to our community.** Maybe a small group would like to form around this project? Maybe you can connect with your neighbors and participate? Maybe you and your grandkids? Everyone is welcome and you simply add them to the garden when you're done! God is Love♥

BUILDING SIGN-IN

There are sign-in sheets at the entrance of all church buildings now. Please make sure to sign in and out on them *every time* you visit the campus, even for very short trips. Official church gatherings like worship should have one person responsible for writing down the names of all attendees. These lists are important because they will help with contact tracing in the event that one of us contracts the COVID virus. Thank you!

Sunday night's **Bingo Zoom Party** was a huge success! We had 21 kids and teens at some point or another playing and TONS of prizes were won! Participants played from their living rooms, campsites, and even other states! Everyone who participated had their family's name entered in a chance to win a \$50 Amazon (given by an anonymous donor) and youth member Jack Davis and family took home the big prize! Big thanks to Barbara & David McElroy and Dale Pennell for donating toy and game prizes and other gift card prizes. It was so fun! If you want to watch the fun, the zoom call has been made available on our church's [Facebook](#) page. Deliveries of prizes will be arriving at your house no later than Wednesday of this week. **Thanks so much to everyone for being a part of this fun experience!**

Have you seen the **fancy new carport** over by the Fellowship Center? This one's actually big enough to fit both church vans plus have a little wiggle room. We are grateful for the kind donations that made this possible!

We would always love to put your "happy news" in the Twizzler. Please email office@weavervilleumc.org to be included.
