

Information for pregnant moms:

We are so excited for you and your pregnancy! We'd like to offer some guidelines for ordering from the Weaverville BEAR Closet:

- Please wait until you are 6-8 weeks from your due date to request items. This way our inventory is being used and not sitting around.
- When you are ready, know that you may request clothing and baby equipment once a month. You do not have to stock up with items your baby is not ready for. We give one size clothing per order. (exception: Newborn requests also receive 0-3 month clothes)
- Diapers and wipes can be requested once a week.
- Our inventory is very random because we are "donations in/donations out". We try to keep the basics in stock. (Car seats are the exception...see below).
- Listed below are the items you will need by age:

Newborn - 6 months:

- Sleepers, onesies, outfits, hats, socks, newborn mittens
- Diapers, wipes, diaper genie, genie refills, changing pad and cover (we occasionally get changing tables)
- Bassinet or crib (we will give one or the other), fitted sheets, firm mattress, pad protectors
- Receiving blankets, sleep sacks
- CAR SEATS - our inventory is very random. SAFE KIDS is a great source. Their number is 828-418-0525.
- Diaper bag, front carrier, car mirror
- Bath tubs, baby shampoo, wash cloths, lotion
- SOME formulas, bottles, burp cloths
- Infant bouncy seat
- Strollers— we will need to know the age of your child and the type you want: lightweight umbrella vs. one that supports an infant

3-6 months:

- Play mats

6 months and up:

- High chairs, booster seats that strap to chairs
- Activity seats (must be able to hold up head)
- Feeding utensils, cups, bibs
- Gate

- Potty
- Toddler bed, mattress, sheets

If you don't see an item on this list, ask, but know that there are no guarantees we'll have it.

PLEASE REMEMBER THAT WE ARE TOTALLY RUN BY VOLUNTEERS AND OUR PICK UP TIMES ARE FIRM.
